About the Huggable Heroes Program

Do you know a young leader between the ages of eight and 18 who is making a difference in his or her community or around the world?

Now through February 26, Build-A-Bear Workshop is accepting entries for its seventh annual Huggable Heroes® program, which recognizes everyday young people who go to extraordinary lengths to make life better for others.

Ten Huggable Heroes from Canada and the United States will be selected and each will be awarded with a \$7,500 educational scholarship and a \$2,500 donation will be made to the 501 (c)(3) charity of his/her choice. The opportunity also includes a celebration trip to St. Louis in July.

Entry forms are available at all Build-A-Bear Workshop stores in Canada, the United States and Puerto Rico.

Build-a-Bear Workshops has been a dedicated JDRF partner for five years, raising more than \$300,000 for type 1 diabetes research through innovative fundraising programs in more than 300 stores in Canada and the United States.
