

Gifts of Publicly Traded Securities to JDRF

Thank you for considering a gift of securities to JDRF. Through your generosity, you are making a significant contribution toward helping JDRF accelerate the pace of research to cure, better treat, and prevent T1D.

Transferring your securities directly to JDRF is simple and tax smart. When you make a gift of publicly traded securities to JDRF, you receive a charitable tax receipt for the fair market value of the security and you do not pay tax on any capital gain.

The following steps will ensure your donation of securities, whether stocks, bonds or mutual funds, is received and processed in a timely and accurate manner:

1. **Complete the following “Letter of Authorization from Donor to Broker - Securities Transfer Form”** (below). This form instructs your broker to transfer your securities to JDRF. Please complete all sections of the form, especially the CUSIP number that can be used by your broker to track the transaction.
(Your broker or financial advisor can assist you with completing this form.)

2. **Please ensure you or your broker submits a copy of the completed transfer form to JDRF, prior to transferring securities to our account, to:**
Marianne Chant, Vice President Support Services & CFO, T: 647.789.2006 TF 1.877.287.3533 ext. 2006
Fax: 416.491.2111, Email: mchant@jdrf.ca

This step is important because, for privacy reasons, your broker cannot disclose your name to us when your securities are transferred to JDRF’s account. Notifying us will ensure you receive your official receipt for income tax purposes and will allow us to thank you and recognize your generosity in a timely and appropriate manner.

3. **Fax or send the completed transfer form to your broker** who will initiate, and be responsible for, the transfer. Your broker will then submit the form and your securities to our custodial agent, RBC Direct Investing Inc. and advise us in writing of the receipt of the securities and related details.
4. **We will issue you a donation receipt** based on the closing price on the date your securities were transferred to the JDRF account at our custodial agent, in accordance with our Board Policy and Canada Revenue Agency Regulations.
